

BLOCK & TACKLE

PROPRIETOR'S RESERVE 2017

Sometimes, it's love at first sip. And when we tasted this wine for the first time, we knew we had something special. Black fruits, coated in tarry nuance and heavy tannins, almost overwhelm the palate - but just before it's all a little too much, things fall into place and the wine softly coats the mouth in a warm and comforting way. This wine is going to keep us guessing for years to come, and that's the fun part.
